International Talent Hunt Guidelines

Revised January, 2017

ACKNOWLEDGEMENTS

The members of the International Talent Hunt Committee deeply appreciate the input that we have received in the preparation of this document. The support of the Grand Basileus, Supreme Council and the entire leadership of the fraternity has been outstanding. The feedback from past and present District Talent Hunt Chairmen and interested Omega Brothers has been a key ingredient to our success.

It is the goal of the committee that this hand book and revised guidelines be reviewed on an annual basis. We sincerely hope that this handbook, with the revised guidelines, will continue to guide our great fraternity through a proud and productive second century.

TALENT HUNT FOREWORD

The function and nature of the Talent Hunt Committee is to provide guidelines and assistance to local, state, and district chairmen in their search and presentation of the best available talent within their respective areas. The local chapter provides the original impetus for the state, districts, and international demonstration. It is significant that chairmen at all levels are selected with great care and some general familiarity with areas of expertise represented.

The general guidelines for judges, participants, tabulators, and all participants are of vital importance to the success of Talent Hunt events at all levels. The equipment provided and the type of facility used for the performances are critical to improving the quality of the participants. While the means of financing may vary from location to location, it is a necessary and important phase of implementing this program to its fullest.

The intent of this handbook is to provide the necessary information that will be needed on all levels of operation. *To this end, it is expected that no individual(s) or chapter will operate a Talent Hunt in the name of Omega Psi Phi Fraternity, Inc. at any level without the use of this book and strict adherence to the guidelines herein. The failure to adhere to said guidelines would rule an event null and void.*

HISTORY

The Talent Hunt program of Omega Psi Phi Fraternity, Inc. is one of several national programs designed to identify and support the youth of our nation and the world. The original idea was created by the 9th Grand Basileus, Brother J. Austin Atkins of Winston Salem, North Carolina, and Brother Dewey Duckett of Rock Hill, South Carolina. While the idea was conceived in 1945, the first District Talent Hunt program was held in the Sixth District in Charlotte, North Carolina, on April 19, 1946. The need for such a program was born out of the unequal opportunity afforded to some American youth to develop and give full expression to their talents.

The original statement of the Talent Hunt idea included this expression: "Creative and outstanding capacities in any honorable activity should be eligible for consideration." During public presentations, all original displays were limited to the field of music. Since that time, the Talent Hunt program has been expanded to include other forms of the expressive arts.

In 1953, Brother J. Austin Atkins, assisted by Brother Dewey Duckett, chaired the first National Talent Hunt Committee, and presented the first National Talent Hunt program as an integral part of the Omega Psi Phi Fraternity Grand Conclave held in Cincinnati, Ohio. The next chairman of the Talent Hunt Committee was Brother George Meares of Brooklyn, New York, Second District. The consultant during his tenure was Brother J. Austin Atkins. Bro. Meares' period of service began in 1958; he directed the activities for the 1961 Grand Conclave. The next chairman to be appointed was Brother Zoel Hargrave of Charlotte, North Carolina located in the Sixth District. His appointment was in 1968, and he chaired the committee that presented the Talent Hunt at the Grand Conclave in Charlotte, North Carolina.

It is significant to note that prior to 1969, all participants in the Talent Hunt program were required to be high school seniors. The year 1969 appears on documents indicating a revision in the guidelines for the operation of Talent Hunt programs on every level. The revision expanded the level of participation to grades 9 through 12.

Brother Alphonso Patterson of Hartsdale, New York, Second District was next in the service of Omega Psi Phi Fraternity as national chairman. His tenure lasted until 1973 when Brother Charles Johnson of Detroit, Michigan, Tenth District, was appointed as national chairman. Brother Willis H. Pettis of Richmond, Virginia, Third District, assisted him. Brother Johnson was leader when the Grand Conclave of Omega Psi Phi Fraternity was held in Atlanta, Georgia in 1976.

Brother Willis H. Pettis of Richmond, Virginia, Third District succeeded Brother Johnson in 1977 and served through 1979 as national chairman of the Talent Hunt Committee. It is significant

to note that prior to 1979, the Talent Hunt program had been a demonstration. It was in Denver, Colorado

that the National Talent Hunt became a competitive event with money being awarded to the first, second, and third-place winners. The first winner in national competition was Adrian Walker, a violinist from Jackson, Mississippi representing the Seventh District.

The era of the eighties starts with Grand Basileus Burnell E. Coulon appointing Brother Edgar Burnett of Saint Louis, Missouri, Eighth District, as Chairman of the National Talent Hunt Committee. He was succeeded by the appointment of former Seventh District Chairman, Brother Jimmie James of Jackson, Mississippi. Bro. Jimmie James was appointed by Grand Basileus, Benjamin Livingston.

In 1985, Grand Basileus Moses C. Norman, Sr. appointed Brother Alfred D. Wyatt, Sr. of Atlanta, Georgia, in the Seventh District, to serve as National Chairman of the Talent Hunt Committee. It was during this time that the need to revise the existing guidelines was examined. To meet the needs of the growing numbers of talented youth that we were discovering as a result of this revision, Brother Wyatt was given permission to write a proposal that would address and bring into focus the future goals of Omega Psi Phi Fraternity.

The following committee was appointed to address those needs: Brother Emerson E. Brown, Savannah, Georgia, 7th District; Brother Berryman Foster, Lexington, Kentucky, 5th District; Brother Johnny Walker, Spartanburg, South Carolina, 6th District; Brother James M. Williams, Boston, Massachusetts, 1st District; Brother Jimmie James, Jr., Jackson, Mississippi, 7th District (Special Consultant); Brother Alfred D. Wyatt, Sr., Atlanta, Georgia, 7th District (Chairman); Brother John Epps, NES, and Brother C. Tyrone Gilmore, First Vice Grand Basileus – Advisors. This committee addressed the validity of present operational procedures in light of the fact that much of the existing talent was outstanding and the awards that were being given on a national level were being equaled in local chapters and districts around the country. The discovery was made that many chapters and districts were operating on guidelines that in some cases were not compatible with existing guidelines of the fraternity. Permission was given to the committee to proceed with the writing and compilation of a handbook that would provide guidelines that all chapters and districts would be mandated to follow. The first proposal and draft was presented to the Supreme Council in February of 1987, in Detroit, Michigan. The proposed handbook was presented during the Leadership Development Seminar held in New Orleans, Louisiana, in July of 1987.

Brother Johnny Walker of Spartanburg, South Carolina, Sixth District was appointed as Chairman of the National Talent Hunt Committee in 1988 and Brother Alfred D. Wyatt, Sr., Atlanta, Georgia, Seventh District, was appointed as consultant. Brother Walker served as the leader of the first non-competitive Omega Talent Hunt since 1979. While the guidelines were revised in 1987, the process of distribution took place in 1990 when the Grand Conclave once again presented the participants to the public as a demonstration.

In 1991, Brother Jimmie James of Jackson, Mississippi was appointed as the chairman of the International Talent Hunt Committee. He presented Talent Hunt Demonstration for the 67th Grand Conclave in Atlanta, GA and the 68th Grand Conclave in Cleveland, OH. Bro. James was able to secure scholarships from Jackson State University for some of the Talent Hunt Demonstration Participants.

Bro. Robert Crisp, Jr., Ph.D. served as the International Talent Hunt Chairman for the following Grand Conclaves: the 69th in Los Angeles, CA, the 70th in New Orleans, LA, the 71st in Indianapolis, IN, and the 72nd in Charlotte, NC.

Bro. Lewis Sears from Alaska served as the chairman for the Talent Hunt Demonstration held during the 73rd Grand Conclave in St. Louis, MO.

In January of 2005, Brother Larry C. Pough of Rochester, NY, Second District was appointed as Chairman of the International Talent Hunt Committee (ITHC). Bro. Ernest R. Goode, Sr. of Mesquite, TX, Ninth District was appointed as the co-chairman.

The first task addressed by the ITHC was the revision of the 1987 Guidelines. This was accomplished with input from each District Talent Hunt Chairman via monthly conference calls. Following the review and compilation of all districts' guidelines, the revised guidelines were completed in January of 2006.

In March of 2006, the first ITHC Retreat was held at the International Headquarters in Decatur, GA. Thirteen of the fourteen committee members were in attendance. The committee, in addition to reviewing the proposed guidelines in detail, had an opportunity to discuss best practices being utilized throughout the fraternity. In preparation for the 2006 Talent Hunt Demonstration, two members of the ITHC conducted an on-site visit to Little Rock, AR, the location of the 2006 Conclave.

In 2006, during the 74th Grand Conclave in Little Rock, AR the Talent Hunt Demonstration was held on July 24, at the Robinson Center Music Hall. All twelve districts were represented at the Talent Hunt Demonstration. Following the Talent Hunt Demonstration, which was videotaped for the first time, the participants were invited to a reception held at the "President William Jefferson Clinton Library."

Leading up to the 75th Grand Conclave planned for Birmingham, AL, the Talent Hunt Guidelines were made available on the fraternity's website. This allowed each chapter access to the most current guidelines. The availability of the guidelines via the fraternity's website moved us closer to utilization of the same guidelines throughout the fraternity.

The 2008 Talent Hunt Demonstration was held in Birmingham, AL at the Birmingham Jefferson Convention Center Concert Hall on July 13th. Each of the 12 districts was represented. Prior to the performance, the International Chairman was interviewed on the local news. Following the performances, Bro. Jimmie James from Jackson State University offered a musical scholarship to each of the participants. The international headquarters arranged for the professional taping of the Talent Hunt Demonstration. Copies of the DVD were made available on the international website.

In 2009, working with the International Informational Technology Committee, the ITHC established an "oppf" email account for each of the District Talent Hunt Chairmen. This not only improved the communication process within the committee but it also provided an archive for the storage of talent hunt information within each district. During the transfer of Talent Hunt leadership roles, information from prior years is now available to the new committee leaders and members. In the months leading up to the 2010 International Talent Hunt Demonstration the committee, working with the IT Committee, transferred all talent hunt forms into an electronic pdf format. This allowed chapters and districts to fill out the documents on line and submit them electronically.

The 76th Grand Conclave was held in Raleigh, NC in July, 2010. This was a return to the area where the Talent Hunt Idea was first conceived in 1945 as a chapter program under the leadership of Past Grand Basileus J. Alston Atkins. During the 76th Grand Conclave a recommendation was submitted by the International Talent Hunt Committee to provide cash awards to the 12 District Talent Hunt winners during a non Conclave year. This was another effort by the committee to provide equity to the Talent Hunt process. The recommendation was voted on and approved by the conclave.

The 2010 International Talent Hunt Demonstration was held at the Progress Energy Center, Meymandi Concert Hall on July 25th. A highlight of the Talent Hunt Demonstration was the presentation of the "Trail Blazer" award to Ms Gwendolyn Delores Friende-Green who was a contestant in the very first Talent Hunt Program which was held in 1946 in Charlotte, NC. The committee is indebted to the 6th District Talent Hunt Chair, Bro. Galvin Crisp, Jr. who was able to locate Ms Friende-Green and pay her the recognition she deserves.

During the 76th Grand Conclave, Brother Dr. Andrew A. Ray was elected as the 39th Grand Basileus. Brother Dr. Ray reappointed Brother Larry C. Pough and Brother Ernest R. Goode, Jr. as chair and vice-chair of the International Talent Hunt Committee, respectively.

The year 2011 marked not only the fraternity's Centennial Celebration and the 77th Grand Conclave of the fraternity but also the 65th Anniversary of the Talent Hunt program, the fraternity's second oldest internationally-mandated program. The Centennial Committee had chosen not to include the Talent Hunt as a part of the Centennial Celebration. The Talent Hunt Committee, however, persevered.

During the 2nd District Conference in May of 2011, the committee obtained final approval, from Grand Basileus Andrew Ray and Former Grand Basileus Dorsey Miller, to host the Centennial Talent Hunt. With less than 90 days remaining and the help of Brother Steven G. Johnson, Assistant VP for Protocol Events at Howard University, the committee was able to obtain the resources and support required to produce an exceptional Centennial Talent Hunt Program. The Centennial Talent Hunt celebration was held on the campus of Howard University, Washington, DC, at the historic Cramton Auditorium on July 30, 2011. Cramton Auditorium was also the location of the International Talent Hunt Demonstration in 1961, during the fraternity's Golden Anniversary.

The 78th Grand Conclave was held in the city of Minneapolis, MN at the Minneapolis Convention Center Auditorium. This was by far one of the largest venues to host the International Talent Hunt Demonstration with seating for over 3,000 people.

In 2012, the 66th International Talent Hunt Demonstration was held. This marked the first time the fraternity hosted International Talent Hunt Demonstrations for three consecutive years (2010, 2011 and 2012). This demonstrated the fraternity's ability to host an International Talent Hunt Demonstration during a non conclave year, provided we have: (1) the financial support from the districts and (2) time available on the agenda during the Leadership Conference.

In January 2013, the International Talent Hunt Committee was informed the grant request to provide a cash award to each of the 12 District winners was approved by the Life Membership Foundation. The year 2013 marked the first year District Winners received cash awards on the International level during a non conclave year, thus proving more equity to the Talent Hunt process from year to year. The committee vowed to keep working toward hosting a Talent Hunt Demonstration during the Leadership Conference.

The 79th Grand Conclave was hosted in the city of Philadelphia, PA in July of 2014. This marked the 67th International Talent Hunt Demonstration which was held at the University of the Arts Gershman Hall in the Elaine C. Levitt Auditorium. This marked the first time an honorary Co-

Chairman, Mr. Kenneth Gamble of the “Gamble and Huff” songwriting duo was selected to work with the International Talent Hunt Committee. Mr. Gamble and Mr. Huff were often referred to as the creators of the “Sound of Philadelphia.”

History was made in Jacksonville, FL in 2015 when the 68th International Talent Hunt Demonstration became the first talent hunt demonstration to be held during an International Leadership Conference. The decision to host an International Talent Hunt Demonstration had been recommended,

voted on and approved during the 70th Grand Conclave in New Orleans. The talent hunt committee had pushed for this over the years in an effort to bring parity to the Talent Hunt demonstration during a non Conclave year. Now the students receive not only the same monetary award but also the same experience of traveling and performing at an event of this magnitude.

The 80th Grand Conclave was hosted in the city of Las Vegas, NV. All 12 districts were represented during the 69th International Talent Hunt Demonstration. The contestants were treated to breakfast at the Flamingo Las Vegas Hotel which was followed by a tour of the Hoover Dam. The program was held in the Augustus Ballroom of the Caesar Palace Las Vegas Hotel and Casino. An audience of over 1500 attended the program. This is believed to have been the largest audience to view an International Talent Hunt Demonstration. A private reception was held in the Emperor Ballroom for the students and their parents.

It was during the 80th Grand Conclave that the International Talent Hunt Foundation was presented as a corporate partner of the fraternity. The International Talent Hunt Foundation directors indicated their sole purpose is to secure funding to support the International Talent Hunt Program.

The Talent Hunt Program of Omega Psi Phi Fraternity has touched thousands of students, many of whom have gone on to make outstanding contributions to their communities and our world. Many have earned scholarships, awards, and recognition through exposure from this program. It is our quest as Omega men of substance to continue to grow in our unyielding commitment to support our youth.

GUIDELINES

The International Talent Hunt Committee have created the Talent Hunt Guidelines so that all chapters, states, and districts will follow the same international guidelines. **All talent considered must be trained talent, with the possibilities of furthering their education in college.**

1. It is the feeling of the committee that students face eliminations at the local, state, and district levels and they should not be subject to further competition. The quality of competition displayed internationally by our fraternity is of the quality that sponsors would not hesitate to support. With the proper support, we will be able to award each district winner a sizable amount of money. Long-range plans could possibly lead to television coverage. This will eliminate hiring judges and would send every participant home with a positive sense of accomplishment. Such a plan would make local, state, and district Talent Hunts Eliminators rather than Competitions.
2. District Talent Hunt winners should receive a sizable monetary award from the District they represent.
 - a. The award from the districts shall be kept separate from any funds donated or obtained by the International Talent Hunt Committee.
3. The International Talent Hunt Committee will issue a grant request each year for funds to be distributed to the 12 District Talent Hunt Winners.
 - a. The funds will be distributed by the grantor or his representative during the Talent Hunt Demonstration held during the Grand Conclave or the International Leadership Conference.
 - b. During a year when no Grand Conclave or Leadership Conference is held, a mock check will be given to the winning student at the District Talent Hunt Program. The actual funds will be distributed to the student following the District Conference by the grantor or his representative.
4. All applicants for the Talent Hunt are to include SAT scores or ACT scores when available as well as their grade point averages.
5. Each district is requested to seek colleges within the district who would be willing to offer scholarship assistance to participants at every level of participation.

6. We have outgrown the smoke-filled room and the quiet carpeting hotel. There are too many facilities built and designed for performers. We will no longer subject our participants to quickie stages, upright pianos, poor acoustics, or poorly prepared accompanist. A good stage, a good piano (grand when feasible), pianist and a skilled accompanist should be standard procedures for every talent hunt on every level.
7. The Grand Basileus has appointed students to every international committee. This practice is to be followed on the district and state levels, where it is applicable. Graduate chapters are to monitor undergraduate chapters and assist them in locating the proper talent and facilities. Many of our colleges have excellent facilities and equipment for this program. Combined graduate and undergraduate Talent Hunts are to be encouraged.
8. Talent Hunt competition, including competitions with more than one chapter participating, may send only one performing applicant to the District Competition. (Note: In competitions with more than one chapters participating, the winning contestant will represent all chapters, which were involved.)
9. A minimum fee of \$25.00 has been established for judges so that every child will have the same opportunity from one who is a professional and skilled in his/ her area of expertise.
10. A breakfast and/or lunch plus a tour of the host city are recommended for all International Talent Hunts and Leadership Conference Demonstrations.
11. The International Talent Hunt Committee was given the authority and permission to revise and rewrite the handbook for distribution throughout the fraternity. The current guidelines are reviewed on an annual basis. The Talent Hunt Program deserves the best that Omega has to offer and Omega has an obligation to offer the very best to the future of our society – our children.

Appendix B

Procedure for Conducting A Successful Omega Psi Phi Fraternity Talent Hunt Program - Revised, 2016

1. Secure a date and place as soon as possible after September.
2. All advertisement for the Talent Hunt must include Omega Psi Phi Fraternity, and the name of the local, state, or district organization, as being sponsors of the program.
3. No local programs will conflict with the district programs. Thus, the names, addresses, selections to be rendered by the local winner at the district, should reach the District Talent Hunt Chairman not later than 30 days prior to the district meeting.
4. Each participant should be a high school student in grades 9-12 who resides in the local jurisdiction of the chapter hosting the talent hunt. No student may represent more than one chapter unless selected as part of a multi chapter competition. A student will be allowed to compete in only one category. The performance should be limited to the field of vocal or instrumental music, dance and dramatics for elimination. Participants will perform alone, as opposed to group participation. Selections will be limited to classical, semi-classical, gospel and jazz music, dance, dramatics and art.
5. Contact the public and private music teachers, counselors and/or principals to get the names and addresses of interested students. Write to interested student asking for a suitable time to come and discuss their appearance with them and their parents. Previous experiences have shown that parents are not aware of their child's intended participation and object at the last moment to the student's appearance, which may affect the success of the program.
6. Make certain that the piano at the site of the Talent Hunt Program is tuned and in good condition and that the auditorium is the proper size for the anticipated audience. Performing before an empty or half-empty house is depressing to the participants. It is preferred that a grand piano and a place designed for performance be utilized.
7. Have OPPF Candidates, Quettes and brothers "dress-up" the auditorium with flowers, palms, etc., for the program. Use the shield to its best advantage. In the absence of the aforementioned, have a florist to decorate.
8. Male participants must wear a dark suit or appropriate attire (i.e. No T-shirts, jeans, sneakers, etc.). Each female must wear appropriate attire (i.e. a dressy dress, or a simple short or long evening dress). Dance and drama participants may wear appropriate attire for their presentation. At the district level the contest should be formal. At the International level the attire will be formal.

9. Three judges are recommended for the local, state, and district levels—one in vocal; one in instrumental music; one in vocal and instrumental. If other categories are represented, experts in each category should be used.
10. Have a printed program that shall include the history of the talent hunt. Advertisements and patrons' lists can be included if it is desirable. Advertisements require planned, advanced work.
11. Send a letter of appreciation to each participant, accompanist and any others who help to make the program a success.
12. A desirable program should not exceed 1-½ to 2 hours. An audience becomes restless if the program is too long. Five minutes length for a selection is most desirable, six minutes is the maximum. 5-Points should be deducted for each minute performed over the agreed upon maximum times.
13. It will be left to each local chapter to determine the nature of the awards to be given to the participants. Some may give monetary prizes while others may choose trophies, etc.
14. A good photographer must be engaged to take pictures. Inform the photographer that no flash photography is allowed during the student's performance. The pictures are to be sent to the local press as well as to the District Director of Public Relations. A good, glossy print of the winners, with cover story, is to be included in the documentation.
15. The chairman and his committee are required to make prompt, full and detailed reports of the Talent Hunt committee activities in line with district and chapter requirements.
16. The matter of ushers is most important. The way the public is greeted and treated at the program will greatly impact the level of support for future programs.
17. While the student is performing no one is to be admitted into the performance hall and no flash photography is allowed. The audience will be informed of this requirement by the Master of Ceremony. These rules will be enforced by the ushers.
18. One member of the committee must have sole responsibility for seeing that the performance hall is opened, clean, well-lighted with ample chairs, decorations, and other needed properties for the occasion.
19. At the local, state, and district levels, the chairman will be presiding. He must wear a tuxedo or dark suit.
20. Guest artists are usually selected to perform while the judges are arriving at a decision. Community groups add much to the enhancement of audience participation.
21. If tickets are used, make sure the word "Donation" is printed on them.
22. The backbone of tickets sales and promotion of the program are the brothers in the chapter.

Certificates for each contestant may be secured from the District Talent Hunt Chairman; the certificates are to be typed or printed and framed.

It is recommended that a reception for the contestants immediately before or after the program proves worthwhile and make good public relations at the Local, District and International level.

23. Each participant in the International Talent Hunt Demonstration must be chaperoned by an adult. A member of the fraternity is not allowed to chaperone a contestant of the opposite sex without documentation from the student's parent/ guardian which has been reviewed by the District Counselor. The district is obligated to pay this expense. The sponsoring or local chapter is obligated for the expense of a chaperone to the state or district meeting.
24. Materials required by the International Talent Hunt Chairman for the printed program are due 60 days before the Talent Hunt Demonstration is presented at the International programs (Conclave/ Leadership). The same information is required by the District Chairman 30 days prior to the District Conference, unless noted otherwise by the District Chairman. This includes
 - a. Parental Release and Consent Form
 - b. Contestant Application
 - c. Student Biographical sketch (100 words or less)
 - d. Photo of student (high resolution bust shot photo 300 dpi or higher). No cell phone, I-pad or scanned photos. Photo is not to be embedded with the application.
 - e. District Activity Report
25. Items a, b and c in section 24 above are to be submitted using the fillable pdf files located on www.oppf.org web site in the forms, other forms section.

The Talent Hunt Idea

The Talent Hunt program of Omega Psi Phi Fraternity, Inc. is one of several national programs designed to identify and support the youth of our nation and world. The original idea was created by Brother J. Austin Atkins of Winston Salem, NC, and Brother Dewey Duckett of Rock Hill, SC. While the idea was conceived in 1945, the first District Talent Hunt program was held in the Sixth District in Charlotte, NC, on April 19, 1946. The need for such a program was born out of the unequal opportunity afforded to some American youths to develop and give full expression to their talents.

The success of the Talent Hunt program, especially in the Sixth District, from the standpoint of community interest and the scholarship assistance made available to the winners as a result of overwhelming public support, led to its adoption as one of the fraternity's mandated programs. The Talent Hunt, as an international program, made its grand debut in 1953 when the Fraternity featured the winners of the local and district contest on a public program at the Grand Conclave in Cincinnati, OH.

The original statement of the Talent Hunt idea included this expression: "Creative and outstanding capacities in any honorable activity should be eligible for consideration." In presenting the first public program, the displays of talent were limited to the field of music. Since that time, the Talent Hunt program has been expanded to include other forms of the expressive arts.

The Talent Hunt idea has become one of Omega Psi Phi Fraternity's international projects, with all graduate chapters mandated to conduct an Annual Talent Hunt Program. On the local and district levels, the project is competitive. At the international level, the program is a demonstration. The international program showcases district winners, who by their talent, diligence, ability, and potential appear as guests of the fraternity. At this stage of our growth, the Talent Hunt is proceeding on the international level along three lines:

- 1) At each session of the Grand Conclave and International Leadership Conference, a Talent Hunt demonstration is presented to the public.
- 2) In addition, Omega is also interested in what it calls a "Fundamental Search for Talent." Here the Fraternity hopes to develop the process and resources through which it can help discover and provide assistance, as may be needed, to young people who have shown and possess talents of outstanding and exceptional quality. The field of interest will not be limited to music but all areas of the performing arts.
- 3) In our projected planning, we hope to further encourage the contestants on our Talent Hunt programs by recommending them to our chapters and other organizations throughout the United States and other countries for presentations in their respective communities.

The Talent Hunt Program of Omega Psi Phi Fraternity Talent Hunt has touched thousands of students, many of whom have gone on to make outstanding contributions to their communities and to our world. Many have earned scholarships, awards and recognition through exposure from this program. Contestants have appeared on the Ted Mack Original Amateur Hour, at the Apollo Theater, Radio City Music Hall, Philadelphia Academy of Music, Philadelphia Civic Center, New York City, Washington, DC Centers for the Performing Arts, the Eastman Theater, etc.

The Talent Hunt Program has been very rewarding to the brotherhood of Omega Psi Phi Fraternity, Inc. and to many talented youth. We will continue to search for and support our gifted youth!
